www.southernwire.com

Southern Wire® is a leading wholesale distributor of wire rope and rigging products. Our broad product offering from wire rope, chain, rigging hardware to synthetic slings enables us to be a single-source solution to our customers.

We offer a large inventory of import & domestic wire rope including specialty, general purpose and galvanized options. In addition to our traditional green and white wire rope, we provide a full line of wire rope fabrication through 3.5 inch diameter including proof testing. Southern Wire also offers an extensive line of synthetic slings including nylon and polyester webbing, private labeled with a custom name and contact information.

Southern Wire has earned a reputation for understanding the unique buying requirements of our customers and exceeding our customers' expectations. We are committed to increasing our customers' competitive advantage through superior customer service, aggressive pricing, quality inventory and a dedicated, knowledgeable staff. Partner with a company that provides more than just wire rope, we offer solutions for success!
